

In the Abstract of the Disclosure

Line 2, change "The present invention includes methods" to
--Methods--; line 3, after "formed", insert --are disclosed--.

In the Claims:

Please cancel Claim 84, without disclaimer or prejudice,
and amend Claim 83 as follows:

83. (amended) A snack bag comprising:

a reclosable tape;

said reclosable tape having a reclosable interlocked
fastener connected to a tape;

D2
said tape having a loop having a fold;

said reclosable interlocked fastener being connected to
said loop;

said loop having an inside loop surface;

[and] said inside loop surface being non-sealable; and

further comprising a thin sealant layer disposed above said
reclosable tape to provide for ease of opening said snack bag.
